

For **your** safety and the safety of **other patients**, please follow our safety rules

Stay home if you have any symptoms.

Keep **1.5 meters distance** from other patients and our staff, also in the queue outside the clinic.

We work **by appointment only**.

It is compulsory to **cover your mouth with a mask** in our clinic.

Disinfect your hands before entering the clinic, as well as regularly during your visit.

Always follow the **instructions** of our staff.

Pay as much as possible with the **card**, preferably **contactless**.

Set the good example, **stop the virus!**
